

Drayton Park Golf Academy

JUNIOR SECTION [Covid-19 Safe]

Time to get to grips with what you'll need from 'Tee to Green'...

Step 3

Development Sessions

£5 per lesson

Golf Fundamentals
[Driving, Pitching, Chipping
& Putting]

Driving:

What is a driver, why we use it and when we use it. Focus on grip, ball position and swing

Pitching:

What clubs we can use and when we should use them

Chipping:

Start to understand the difference between chipping and pitching and which clubs to use for each

Putting:

Probably the most important club in the golf bag. Focus on gripping and alignment

- **Booking in:** Either online/by phone or in person at the pro-shop within the driving range complex at Drayton Park GC
- **Payment:** The £5 payment covers the use of the driving range bays and the professional's time. **100% fun... and learning!**
- **Equipment:** This is the stage where a conversation with the coaches may assist parents with your child's future requirements!

Look forward to step 4 (seasonal camps). This is where your children will start to get to grips with the fundamentals of golf and potentially sign up for the Advanced Camps
